#### INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Band of Parents, Inc.

### **Opinion**

We have audited the accompanying financial statements of Band of Parents, Inc. (a nonprofit organization), which comprise the statements of financial position as of December 31, 2024 and 2023, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Band of Parents, Inc. as of December 31, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Band of Parents, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Band of Parents, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of expressing
  an opinion on the effectiveness of Band of Parents, Inc.'s internal control. Accordingly, no
  such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Band of Parents, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

#### **NOTES TO FINANCIAL STATEMENTS**

**DECEMBER 31, 2024 AND 2023** 

#### 1. ORGANIZATION

Band of Parents, Inc. (the "Organization") is a non-profit organization established in 2007. The primary goal of the Organization is to fund and support innovative research and clinical trials at major pediatric cancer centers throughout the world. The focus of the funded clinical trials is a search for more effective and less toxic treatments for neuroblastoma and other pediatric cancers. The Organization also provides non-financial support for pediatric cancer patients and their families through networking with other families, as well as the provisions of free blood pressure cuffs for telemedicine. The Organization's mission is to fast-track a cure for children with cancer using less toxic, targeted therapies, which can be implemented in a clinical setting immediately.

The Organization receives no government assistance and is supported solely through the generosity of individual, corporate, and foundation donors, as well as local and statewide special events. Management and the board of directors of the Organization guide its mission, while a core of volunteers assists with helping families, raising funds, and increasing awareness of the Organization's mission.

#### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Basis of Accounting and Presentation

The financial statements of the Organization have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which require the Organization to report information regarding its financial position and activities according to the following net asset classifications:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management and board of directors.

*Net assets with donor restrictions:* Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statements of activities.

### **NOTES TO FINANCIAL STATEMENTS - CONTINUED**

#### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

#### Measure of Operations

The statements of activities report all the changes in net assets, including changes in net assets from operating and nonoperating activities. Operating activities consist of those items attributable to the Organization's ongoing program services. Nonoperating activities are limited to resources that generate return on investments and from other activities considered to be more atypical or nonrecurring in nature.

#### Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### Cash and Cash Equivalents

The Organization considers all highly liquid investments purchased with an original maturity of three months or less to be cash equivalents. Cash equivalents at December 31, 2024 and 2023 consisted primarily of money fund accounts at a nationally recognized broker.

#### Investments

Investments are reported at cost, if purchased, or at fair value, if donated. Thereafter, investments are reported at their fair values in the statements of financial position, and changes in fair value are reported as unrealized gain (loss) in the statements of activities.

Purchases and sales of investments are reflected on a trade-date basis. Gains and losses on sales of investments are recorded in the statements of activities in the period in which the investments are sold. Interest is recorded when earned. Dividends are accrued as of the ex-dividend date.

#### Fair Value Measurements

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. Fair value should be based on the assumptions market participants would use when pricing an asset or liability. U.S. GAAP establishes a fair value hierarchy that prioritizes investments based on those assumptions.

#### **NOTES TO FINANCIAL STATEMENTS - CONTINUED**

#### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

#### Fair Value Measurements - Continued

The fair value hierarchy gives the highest priority to quoted prices in active markets (observable inputs) and the lowest priority to an entity's assumptions (unobservable inputs). The Organization groups assets and liabilities at fair value in three levels, based on the markets in which the assets and liabilities are traded and the reliability of the assumptions used to determine fair value. These levels are:

Level 1 Unadjusted quoted market prices for identical assets or liabilities in active markets as of the measurement date.

Level 2 Other observable inputs, either directly or indirectly, including:

- Quoted prices for similar assets/liabilities in active markets;
- Quoted prices for identical or similar assets in non-active markets;
- Inputs other than quoted prices that are observable for the asset/liability; and,
- Inputs that are derived principally from or corroborated by other observable market data.

Level 3 Unobservable inputs that cannot be corroborated by observable market data.

### Pledges Receivable

Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. The discounts on those amounts are computed using risk-adjusted interest rates applicable to the year in which the promises are received. Discount amortization is included in contributions. There were no pledges receivable as of December 31, 2024 and 2023.

Conditional promises to give are not included as support until the conditions are met. An allowance for uncollectible contributions is made based on management's judgement reflected by factors such as prior collection history, the type of contributions and other relevant factors.

#### **Equipment**

Equipment is recorded at cost. Acquisitions of equipment in excess of \$500 with a useful life beyond one year are capitalized. Depreciation is recorded over the estimated useful life of the underlying asset, which is five (5) years for equipment, utilizing the straight-line method.

#### **NOTES TO FINANCIAL STATEMENTS - CONTINUED**

#### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

#### Contributions

Contributions are provided to the Organization either with or without donor restrictions. Revenues and net assets are separately reported to reflect the nature of those gifts - with or without donor restrictions. The value recorded for each contribution or grant is recognized as follows:

Nature of the Gift	Value Recognized
Conditional gifts and grants, with or without donor restrictions Gifts and grants that depend on the Organization overcoming a donor-imposed barrier to be entitled to the funds	Not recognized until the gift becomes unconditional, i. e., the donor-imposed barrier is met
Unconditional gifts and grants, with or without donor restrictions Received at date of gift - cash and other assets Received at date of gift - property, equipment and long-lived assets	Fair value Estimated fair value
Expected to be collected within one year Expected to be collected in future years	Net realizable value Initially reported at fair value determined using the discounted present value of estimated future

Contributions received and unconditional promises to give are recorded as public support at fair value in the period received and are considered to be net assets without donor restrictions unless specifically restricted by the donor. Contributions are recorded net of estimated uncollectible amounts. Conditional contributions are recognized as revenue when the conditions on which they depend have been substantially met. The Organization records contributions as donor restricted if they are received with donor stipulations that limit their use either through purpose or time restrictions.

When donor restrictions expire, that is, when a time restriction ends or a purpose restriction is fulfilled, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

#### **In-kind Donations**

The Organization records the value of donated goods and services at their estimated fair value determined on the date of contribution. The value of the donated goods and services is reported as in-kind contributions on the statements of activities and in-kind expenses – auction and raffle items on the statements of functional expenses.

#### **NOTES TO FINANCIAL STATEMENTS - CONTINUED**

#### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

#### Accounting for Uncertainty in Income Taxes

The Organization recognizes the effect of income tax positions only if those positions are more-likely-than-not be sustained upon examination by taxing authorities. Management has determined that the Organization had no uncertain tax positions that would require financial statement recognition. The Organization is no longer subject to audits by the applicable taxing jurisdictions for periods prior to 2021. Currently, there are no audits in progress.

#### **Income Taxes**

The Organization is a not-for-profit organization exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and is exempt from federal and state income taxes.

### Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of activities and functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Such allocations are determined by management on an equitable basis.

The expenses which are allocated include the following:

Expenses	Method of Allocation
Salaries and wages	Time and effort
Payroll taxes and benefits	Time and effort
Professional fees	Time and effort
Website	Time and effort
Insurance	Time and effort
Fees and licenses	Time and effort
Office supplies and printing	Time and effort
Postage and mailings	Time and effort
Advertising	Time and effort
Travel and meetings	Time and effort

#### Subsequent Events

The Organization has evaluated subsequent events through July 28, 2025, which is the date the financial statements were available to be issued.

#### **NOTES TO FINANCIAL STATEMENTS - CONTINUED**

#### 3. LIQUIDITY AND AVAILABILITY

The following represents the Organization's financial assets at December 31, 2024 and 2023:

	 Decen	nber 31	,
	2024		2023
Available financial assets at year-end:	_

Less amount not available to be used within one year			
Donor-restricted net assets	10,000		90,000
Total available financial assets at year-end	\$ 583,446	\$	363,007

The Organization's goal is generally to maintain financial assets to meet 90 days of operating expenses (approximately \$90,000), excluding the grant expenses. As part of its liquidity plan, excess cash is invested in mutual funds.

#### 4. INVESTMENTS AND FAIR VALUE MEASUREMENTS

Investments at fair value at December 31, 2024 and 2023 are as follows:

	 20		2023				
	Level 1 Total		Level 1	Total			
Mutual funds	\$ 269,673	\$	269,673	\$ 251,130	\$	251,130	

Investments consist of shares in mutual funds. Investments as of December 31, 2024 and 2023 were considered Level 1 investments. The Organization determined the fair value of the investments as follows:

Mutual funds held by the Organization are deemed to be actively traded and are valued at the daily closing price reported by the funds.

Investment income for the years ended December 31, 2024 and 2023 are as follows:

	2024	 2023	
Interest and dividends	\$ 33,598	\$ 12,102

#### **NOTES TO FINANCIAL STATEMENTS - CONTINUED**

#### 7. CREDIT FROM OTHER FUNDRAISING SOURCES

The Organization entered into several agreements with Memorial Sloan Kettering Cancer Center ("MSK") to commit grants to fund various neuroblastoma research projects. It was further agreed that a portion of the grant commitment can be fulfilled if the Organization solicits and receives donations paid directly to MSK. During the year ended December 31, 2024 and 2023, MSK met all milestones set forth in the agreements and became entitled to the grants.

In 2024 and 2023, the Organization raised funds through Cycle for Survival and were used to reduce the Organization's grant commitments. The funds were recorded as a credit from other fundraising sources, which reduced the amount of grant expenses in the statements of functional expenses. Details are as follows:

	2	2024				
	Grant		Cred	it from Other	Amount Paid	
Research Title	Commitment		<b>Fundraising Sources</b>		in Cash to MSK

Neuroblastoma	\$	400,000	\$	(113,472)	\$	286,528

#### 8. RETIREMENT PLAN

During the year ended December 31, 2021, the Organization implemented a 401(k) Safe Harbor nonelective contribution plan ("the Plan") for the employees. Under the Plan, the Organization contributes 3% of the annual salary of the employees regardless of whether or not employees elect to contribute to the Plan. Contributions to the Plan are immediately fully vested. All employee and employer matching contributions are subject to the maximum allowable amount under federal law. For the years ended December 31, 2024 and 2023, total contributions the Organization made to the Plan amounted to \$6,156 and \$5,500, respectively.

#### 9. CONCENTRATIONS OF CREDIT RISK

Financial instruments that potentially subject the Organization to concentrations of credit risk consist primarily of cash, cash equivalents, and investments held in bank accounts and a brokerage account. The Organization maintains its cash accounts with a major financial institution to mitigate its credit risk.

#### **NOTES TO FINANCIAL STATEMENTS - CONTINUED**

#### 9. CONCENTRATIONS OF CREDIT RISK - CONTINUED

The Organization monitors its account balances and the financial institutions involved as a method of reducing its risk. The cash balances at the financial institutions are secured by the Federal Deposit Insurance Corporation up to \$250,000. As of December 31, 2024 and 2023, the Organization had no uninsured cash balances at the financial institutions.
